

AGREEMENT

Reflecting the unanimous desire of all Taekwon-Doists all over the world for one single Taekwon-Do, and

Aspiring after the uniform development of Taekwon-Do,

The International Taekwon-Do Federation (herein after referred to as ITF) and the World Taekwondo (herein after referred to as WT) agree as follows in Pyongyang, the capital of the Democratic People' s Republic of Korea:

1. ITF and WT shall establish a joint body committed to the integration of Taekwon-Do and decide on the committee' s name, characteristics and mandate through consultation between the two Federations within December 2018.

2. ITF and WT shall conduct various activities to promote the integration of Taekwon-Do.

2.1 ITF and WT shall make joint efforts to realize joint demonstration in China, Russia, Switzerland, the United States and Japan on different occasions, including the 32nd Olympic Games.

To this end, ITF and WT shall authorize the joint body to consult on the installation of a joint training center for gradual unification of the joint demonstration.

2.2 ITF and WT shall make efforts to co-host, on a trial basis, an international tournament guided by the tournament rules of both Federations respectively.

2.3 ITF and WT shall make sure that Dan certificates, Umpire certificates and other certificates are cross-recognized through relevant procedures so that the Taekwon-Doists under both Federations can participate in each other' s recognized and promoted tournaments as well as World and Continental

Championships.

2.4 ITF and WT shall actively cooperate with each other so that the north and the south of Korea register Taekwon-Do in UNESCO jointly.

3. ITF and WT, for the sustainable implementation of the above provisions, shall meet more than once a month at a place agreed upon by both parties to consult on the relevant issues and take necessary measures for them, and shall refrain from any act that goes against each other.

The ITF President and the WT President shall meet each other frequently to consult on the establishment of the joint body and other practical issues concerning the prosperity and development of Taekwon-Do and take necessary measures for them.
